

Dear Friends,

Greetings in the name of our Lord Jesus Christ. I hope this message finds you well. I am writing to express my deepest gratitude for your prayers and support during these challenging times for Liberians in Ghana. Your unwavering faith and generosity have been a source of great comfort and strength.

During our recent trip to Liberia, I had the privilege of meeting the Vice President of Liberia, Honorable Jeremiah Kpan Kounq at his official office. We discussed the challenges faced by Liberian refugees in Ghana and the need for their swift return. He pledged his complete support. He assured me that I should consider it done.

I have some wonderful news to share. After much prayer and engagement, the government of Liberia has finally sent buses to repatriate the Liberian refugees whose homes were demolished in Ghana. This is a true answer to our prayers, and we give all glory to God for His faithfulness.

Mother Vicky Nimla, who has been a cornerstone of the orphanage, plans to remain in Ghana for two more years. During this time, she will travel to Liberia to find a suitable place where the children can be settled and thrive. Her dedication and love for these children are remarkable, and

we are confident that God's hand will continue to guide her. Please pray for God's provision for \$2000. her new place where she will be for two years before. And funding to help family with food as they resettle for food and basic needs. The first 700 family will arrive next week and there is a need to help them with basic needs. We are trusting God for Five Thousands Dollars.

Thank you once again for all the gifts, support, and especially your prayers.

Indeed, our prayer was answered. Amen.

May God bless you abundantly.

Henry
